Marketing, Compliance & Presentation (Social, SEO, Contact, QA, Slides, Report)

NIT3274 Small IT Business — Interns Store | Screen-by-screen feature spec

Tags. **MUST** mandatory for the assignment/rubric **REAL** realistic — buildable in WordPress/WooCommerce now
ASPIR aspirational — full LinkedIn/SEEK-level, future scope.
Purple boxes = what appears when you click into something (a sub-screen or state).

How Your Part Connects to the Whole Site

Interns Store is a two-sided marketplace: students find internships (free) and employers pay to post them. The site is divided across four members so every page and deliverable has one clear owner.

Member	Owns
Manula — Design & Front-of-House	Home, landing pages, About, Blog, UX
Member 2 — Internships & Search	Browse, internship detail, apply flow, company profile
Member 3 — Accounts & E-commerce	Dashboards, listing builder, AI assistant, cart→checkout→invoice
Member 4 (You) — Marketing, Compliance & Presentation	Marketing/SEO, social, Contact, compliance, QA, slides, report

Your part ties everything together and gets it marked. Your work is less about building big pages and more about: supplying content the others drop in (testimonials, marketing copy, social), making sure every compliance item is present, testing that the whole site works, and owning the deliverables that earn marks at the demo. You feed: testimonials & newsletter form to Manula's Home; blog articles to Manula's blog shell; you QA Member 3's checkout.

Your deliverable: build Contact + compliance, run all marketing/social, QA the whole site, and produce the PowerPoint, demo script & Contribution Report. Mark which REAL/ASPIR features you'll include.

1. Marketing & SEO (site-wide)

- **MUST** Call-to-action buttons consistent across site (supply wording)
- **MUST** Newsletter / lead-gen form (built & given to Manula for Home/footer)
- **MUST** Customer reviews / testimonials content
- **MUST** SEO: page titles, meta descriptions, heading structure (across all pages)
- **REAL** Promo banners, discount codes, welcome email, social-share buttons, Google Analytics
- **ASPIR** Email automation; referral program

2. Social Media

- **MUST** At least one active social media page matching branding
- **MUST** Posts aligned to site (branding, products, message)
- **REAL** Multiple platforms (FB, Instagram, LinkedIn, TikTok); promotional posts
- **REAL** Links from site footer to socials (coordinate with footer below)
- **ASPIR** Content calendar; engagement campaign

3. Contact Page (REQUIRED)

- **MUST** Contact / enquiry form (lead generation)
- **MUST** Business details with **ABN displayed**
- **MUST** Google Maps embed of location
- **REAL** Email, phone, hours; quote/enquiry request; FAQ accordion
- **ASPIR** Live chat / chatbot handoff

► **Submit form → confirmation message + auto-reply email.**

4. Footer & Compliance (site-wide)

- **MUST** ABN displayed
- **MUST** Disclaimer: "This website is for a class assignment and not for commercial purposes"
- **MUST** Social media links
- **MUST** Quick links to all pages; newsletter sign-up
- **MUST** Privacy Policy, Terms & Conditions, Equal Opportunity links
- **REAL** Back-to-top; secure-payment badges
- **ASPIR** Cookie consent; language selector

Compliance pages

- **MUST** Privacy Policy, Terms & Conditions, Equal Opportunity Policy, Disclaimer page

5. Blog Articles & SEO Content

Manula builds the blog shell; you write what goes in it.

- **MUST** 2–3 published articles with proper headings (career tips, internship advice)
- **REAL** Categories, tags, internal links for SEO
- **ASPIR** Ongoing content calendar

6. QA — Test the Whole Site

- **MUST** Test full cart → checkout → payment → invoice flow (Member 3's build)
- **MUST** Verify all compliance items present (ABN, disclaimer, Contact, Maps)
- **MUST** Check every link, button, and form works
- **REAL** Mobile responsiveness check; bug log for Manula to fix
- **ASPIR** Cross-browser testing

7. Presentation & Submission Deliverables

- **MUST** PowerPoint presentation
- **MUST** Session 11 demo script (who says what + timing)
- **MUST** Contribution Report (coordinate everyone's input — 10% penalty if missing)
- **REAL** Rehearsal run; backup screenshots in case live demo fails
